Reserve Account	2,000.00	+500.00

REPORT OF SELECTMEN FOR 1958

The town at present is in good financial condition. The funded debt is \$18,000.00 and final payment will be made in 1964. This debt was incurred for major improvements in the Town Fire Department and at the Berkley Grammar School.

The continued unemployment condition during the year necessitated the appropriation of additional funds to supplement the Welfare and Veterans' Services accounts.

An access road, connecting Padelford and Plain Streets was constructed and wholly financed by the Massachusetts Department of Public Works.

The reconstruction of Bryant Street which has been continuing on for the past several years now provides another improved street in our road system.

The reconstruction of a section of North Main Street is tentatively scheduled for 1959 as a Chapter 90 Project with the cost of the town's share being provided by funds made available under Chapter 718 of the Acts of 1956. A sum of \$1,000.00 is recommended for land damage, replacement of well, counsel fees and surveying as no State provided funds can be used for this purpose.

A sum of \$1,000.00 is recommended also for widening, gravelling, and oiling of a section of Holloway Street.

We also recommend that the present heating system in the Town Hall be replaced. The present heater is definitely a fire hazard, inadequate, and inefficient.

At this time, we wish to express our appreciation to all for their excellent cooperation with us in the conduct of the town's business.

EINO H. SILVAN

HAROLD G. ASHLEY

WILLIAM V. HOGAN

Board of Selectmen

PROPOSED WARRANT FOR ANNUAL TOWN MEETING

ARTICLE 1. To hear the report of the Finance Committee or act thereon.

ARTICLE 2. To act on the reports of the town officers.

ARTICLE 3. To hear the report of the committee on the Myricks School Building.

ARTICLE 4. To see if the Town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of revenue for the current financial year, and to issue a note, or notes, therefor, in accordance with the provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 5. To see if the Town will vote to authorize the selectmen to contract with the Department of Public Works and County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 6. To see if the Town will vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended, as follows: Moderator, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Town Clerk's Fees, Constables, Tree Warden, Highway Surveyor, Board of Public Welfare, School Committee, Library Trustees Chairman, and Burial Ground Commissioners, and raise and appropriate sums of money for same, or act thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Finance Committee, Industrial and Development Commission, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Planning Board, or act thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate sums of money for the following departments, namely: Town Counsel, Elections, Registrations, Town Hall, Police Department, Fire Department, Tree Department, Sealer of Weights and Measures, Dog Officer, and Board of Health, or act thereon.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for the installation of a heating system in the Town Hall.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for a dental clinic, or act thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate \$108.67 to be expended in suppressing the gypsy and brown tail moth; also \$600.00 for the Dutch Elm Disease Control, or act thereon.

ARTICLE 12. To see if the Town will vote under the provisions of Section 4-A of Chapter 41, to authorize certain Town boards to appoint one or more members to other positions and fix the salary for same, or act thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$3,150.00 for the Town's share of Chapter 81 Highway Maintenance, and appropriate and transfer the sum of \$11,550.00 from the Excess and Deficiency Account to cover the State's share, said sum to be returned to the Excess and Deficiency Account on receipt from the State, or act thereon.

ARTICLE 14. To see if the Town will vote to raise and appropriate for Chapter 90 Highway Maintenance, the sum of \$1,800.00, and to appropriate and transfer a sum of money from the Excess and Deficiency Account to cover the State and County shares, said sum to be returned to the Excess and Deficiency Account on receipt from the State and County, or act thereon.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money, not exceeding \$1,000.00 to be spent for highway repair, and/or reconstruction purposes on Holloway Street; independently of, or in addition to any other highway maintenance program which the Town may vote on.

ARTICLE 16. To see if the Town will vote to authorize the Selectmen to contract with the Department of Public Works and the County Commissioners of Bristol County for the layout, alteration, relocation and construction of North Main Street, or take any other action relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

ARTICLE 18. To see if the Town will vote to empower the Selectmen to take land, sloping rights, and drainage rights on North Main Street by gift, purchase, or eminent domain for the layout, alteration, relocation and construction of North Main Street, or take any action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money to cover all engineering, legal, land damage, and all other expenses relative to the Chapter 90 construction on North Main Street, or take any other action relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate sums of money for the following accounts; namely, Berkley-Dighton Bridge Expense, Road Machinery Account and Street Lights, or act thereon.

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money for Snow Removal, Sanding and Snow Fence, or act thereon.

ARTICLE 22. To see if the Town will vote to raise and appropriate sums of money for General Relief, Old Age Assistance, Aid to Dependent Children, Disability Assistance, Welfare Administration and Veterans' Services, or act thereon.

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money for the School Department, or act thereon.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$801.65 for the Public Library, and to transfer \$698.35 to the Public Library from the Dog Fund.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for repairs to the Public Library roof.

ARTICLE 26. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Care of Berkley Common, Town Reports, Memorial Day, Care of Veterans' Graves, Myricks Building and Town Water, or act thereon.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for compensation insurance for Town employees, or act thereon.

ARTICLE 28. To see if the Town will vote to appropriate and transfer a sum of money from the Overlay Surplus Account to the Reserve Account, or act thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to be used in the cemeteries, or act thereon.

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to cover interest on loans, or act thereon.

ARTICLE 31. To see if the Town will vote to pay the unpaid bills of previous years, and to see if the Town will vote to appropriate a sum of money therefor, to be provided by taxation or by transfer of available funds.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$657.14 for the Bristol County Retirement Assessment for the fiscal year of 1959, as certified to by the Board of County Commissioners, or act thereon.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$25.00 for the Honor Roll, or act thereon.

ARTICLE 34. To see if the Town will authorize and direct the assessors to take a sum of money from available funds to reduce the tax levy for the current year, or take any action relative thereto.

Appropriated from available funds:	
Unpaid Bills of Previous Years	52.07
3. Appropriated from taxation:	
Tree Department	300.00

Elections during the year were: the annual town election, the state primaries, and the state election. In addition, a special election was ordered by the selectmen to fill the vacancy in the office of Highway Surveyor because of the failure to elect at the regular town election, the result at that election having been a tie vote between two candidates.

My special thanks are due the Librarian for assistance in posting notices, etc., during the year.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

Town Clerk

REPORT OF CHIEF OF POLICE

To the Board of Selectmen
Town of Berkley

Gentlemen:

As your Chief of Police I submit the following report for the year 1958:

Arrests	7
Summoned to court for Motor Vehicle Violations	3
Auto Accidents (injuries)	9
Auto Accidents (property damage)	20
Shooting Accidents	2
Breaks and Thefts Investigated	18
Stolen Cars Recovered	5
Miscellaneous Complaints Investigated	73
Car Transfers Filed	1095
Tickets Issued for Defective Equipment	101
Pistol Permits Issued	10
Summons Served	8
Dogs Killed by Autos	3
Recommended Suspension of Licenses	15
Recommended Warnings	5

We have assisted the Registry on periodic checkup and have patrolled the Town on the Holidays. The Police Officers directed traffic during the Dog Racing period.

I thank the Selectmen, Police Officers, Firefighters, and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY,
Chief of Police

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Selectmen
Town of Berkley

Gentlemen:

I had three calls for dog bites. There was no slaughtering in the town during 1958. I inspected 46 barns and buildings, also 389 animals.

Respectfully submitted,

HERBERT ASPINALL,

Inspector of Animals and Slaughtering

REPORT OF PLANNING BOARD

The Planning Board members wish to thank all committees and officials of the town for their cooperation with us.

Our membership in Southeastern Massachusetts Economic Conference ("Semeco") afforded us the chance to have a booth at the the Brockton Fair.

Requests from landowners to divide parcels of land were received and processed. There were no applications for subdivision control in 1958.

Our delegate, Mrs. Effie Robbins has attended regional board meetings and acted as hostess for the meeting held in Berkley at the Grammar School on January 21, 1959. Water resources was the topic of discussion.

We regret the resignation of Mrs. Effie Robbins who has been an excellent chairman and an unexcelled worker of our board. We also regret the resignation of Mr. Elwell Perry, our previous secretary.

Respectfully submitted,

ALFRED HOWLAND,

Secretary

REPORT OF THE TOWN AUDITOR

To the Board of Selectmen
Town of Berkley

The books and accounts of the Collector of Taxes were audited as of December 31, 1958. Records of collections and payments to the treasurer proved to be correct. Tax records were checked and verified with a listing of all outstanding accounts made. The treasurer's books were examined and found to be in order.

Notices of unpaid taxes owing to the town, were mailed for verification purposes to persons shown on the books with unpaid balances.

Respectfully submitted,
FRED HEYWOOD, JR.

REPORT OF BERKLEY FINANCE BOARD

The cost of running the Town of Berkley, along with the state and federal government is constantly going up. The proposed budgets submitted to the finance board for 1959 ask for a total increase of over \$20,000.00 over their 1958 budgets. This increase will make Berkley's tax rate \$100.00 per thousand for 1959.

The two major increases are Schools \$15,394.83 and Welfare \$3,900.00, two items the people of the town have no control over.

It has long been the personal belief of the chairman of the finance committee that a reappraisal of the Town of Berkley has been long overdue. Under the present system a very small number of taxpayers are carrying a major portion of the tax load. It is only right if the town is to progress and provide the services the people want all taxpayers should pay their fair share of the cost.

Respectfully submitted,
DAMON CLEGG, *Chairman*
WARREN L. IDE, *Secretary*
MANUEL SILVEIRA
ARNOLD SILVAN
FRANCIS E. FOURNIER
KENNETH COMBS

REPORT OF LIBRARY COMMITTEE

To the Board of Selectmen
Berkley, Mass.

It is the aim of the Library Trustees to so budget the library appropriation that there may be a balance between the actual library needs and the upkeep of the building. To this end, in 1958, there were lights installed on the outside of the building for the safety of persons using it at night, plugs were installed on the inside for the use of the state auditors and others using the building, paint has been purchased to be used in renovation of the basement and work has been started on the installation of a sanitary that is required of any public building by state law.

With the co-operation of the teachers at the Grammar School, far greater use is being made of the library facilities by the children of our town. During the summer, a story hour was conducted, with the assistance of the Girl Scouts. A poster contest was conducted during Art Week and National Library Week was marked by an exhibition of handiwork by townspeople and an open house and coffee hour. We wish to especially thank Mrs. Craven for her enthusiasm and energy, Mrs. Stanley Trond for assistance with the Story Hour and Oscar Lamoureux for his co-operation in all matters pertaining to the use of the library by the school children. This year the library is to be open on Thursday afternoon during the school year in addition to the regular Tuesday and Saturday hours.

When the carpenters were installing the stack for the sanitary, it was discovered that many of the slates were missing from the roof and that there was moisture coming through into the attic. To repair this situation, it will be necessary to re-roof and for this it is necessary to ask for an additional appropriation of \$1200. However, with this done, it would seem that the building should be in fairly good repair and from now on could be kept up with routine care.

Respectfully submitted,

RUTH HOWLAND

CORINNE H. MACKER

VIOLA E. HOLMES

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Board of Selectmen
Town of Berkley

Gentlemen:

As your Chief of the Fire Department, I submit the following report for the year of 1958:

During the year of 1958 there were a total of 54 fire calls answered by the Fire Department, one (1) outside call for help by a neighboring town.

The fire extinguishers in the school and library were inspected during the past year.

A custodian of the Grammar School was appointed to the Fire Department the past year with instructions to hold fire drills weekly; two escape ladders were installed from the basement rooms.

I would like to call the attention of the people living in the Myricks district of the Town (in case of FIRE Dial VA-2-3181—if you do not get an answer within a reasonable time Dial VA-2-6354), these two telephone numbers are to be used only to report a FIRE and please give your name and location of the fire. Do not build an open air fire without a written permit. Permits are written in the MYRICKS district by Mr. Merle Stetson on Myricks Street, and in the Berkley District by Mr. Joseph Freeman on Berkley Street.

I wish to take this opportunity to thank the residents of the town for their prompt action and cooperation with the Fire Department also to express my appreciation to the members of the Fire Department, Police Department, and all others who have cooperated and assisted in carrying out the duties of this office.

Respectfully submitted,

GARLAND TEMPLETON,

Chief of the Fire Department

REPORT OF THE FIRE COMMITTEE

The committee wishes to report that the new fire truck arrived on April 23, 1958, and was checked, tested and accepted.

The truck seems to be very satisfactory, and has added good fire protection to Myricks, also additional protection to the entire town of Berkley.

Respectfully submitted,

MARTIN E. BERGSTROM

NATHAN W. HOLMES

RICHARD A. PERRY

LIONEL F. SOUZA

GEORGE W. STETSON

MERLE J. E. STETSON

GARLAND TEMPLETON

CIVIL DEFENSE

A Civil Defense operations plan has been drawn up by your director and submitted to State and Federal C. D. Agencies for approval.

Several citizens have joined the agency including your selectmen. Many more are needed including those with boats, trailers, trucks, and beach wagons.

Berkley needs Civil Defense. This will be fully explained at the town meeting.

Your cooperation will be greatly appreciated.

RUSSELL A. HASKELL,

Director of Civil Defense

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

As your town sealer I wish to submit my report to you for the work done in the year of 1958.

Scales	5	
Liquid Measures	9	
Gasoline Pumps	16	
Oil Measure Pumps	1	
Not Sealed Units	6	
Milk Bulk Tanks	2	
Sealed Fees collected for the year of 1958		\$25.15

I wish to thank everyone for their co-operation in helping your sealer getting this work done.

WILLIAM B. MITCHELL,
Sealer of Weights and Measures

REGISTRARS OF VOTERS

The 1958 street listing concluded with the names of 468 men and 475 women for a total of 943 persons 20 years of age and over resident of Berkley as of January 1, 1958.

In 1958 registrations of voters took place for four elections. New voting lists containing the names of 450 men and 391 women were printed and several names were added after printing.

The registrars conducted two recounts during the year. The first followed a tie vote for the office of Highway Surveyor at the annual town election between Herbert J. Flint and Stanley F. Hadro, and resulted in no change. The second followed the November state election and resulted in a change of one vote in the contest between J. Robert Tickle and Fred H. Kingsley for the office of Representative in the General Court from the Fifth Bristol District.

Respectfully submitted,

MARION I. NEEDHAM
JOSEPH D. ROSE
MERLE J. E. STETSON
FRANCIS F. G. ANDREWS

Collection 1958	1.00	
	<hr/>	\$2.00
Payments to treasurer in 1958		\$2.00

4. Comment

In addition to the foregoing list of receipts was a court judgment item on motor vehicle excises for which \$161.52 was paid to the town treasurer.

Perhaps it is beating one's head against a wall, but I again urge the town and its officials to consider very strongly furnishing office facilities for the convenience of its taxpayers, with a full time person on duty. The collector's office alone handled

over \$110,000.00 in 1958, an increase over 1957 of \$24,000.00. The town should not expect a tax collector to furnish space, heat, electricity, telephone, etc., without cost; this is a relic of colonial times and a \$5.00 tax rate, and I suggest to the next collector that he include rent in his budget. This furnishing of space has been a deterrent to many qualified persons who might otherwise seek the office. While I speak only as tax collector, I think as a matter of convenience to the public most town offices should be under one roof. One major difficulty nowadays causing inconvenience to many is that of obtaining abatements and making payment of motor vehicle excises, a big problem since the amounts have increased a great deal and are still increasing, and many refunds have had to be made.

Two cases of non-payment are being processed in small claims court; at this writing, shortly after the end of 1958, one of these has been settled in full.

Costs on overdue taxes and excises, excepting poll taxes, were increased by state law in 1958. Every effort has been made to acquaint taxpayers with these added penalties before imposing them.

This is my fifteenth and last report as collector of taxes and I would be remiss if I did not acknowledge my indebtedness to many taxpayers with whom my relations have been most pleasant. They have made it possible to endure the difficulties of collecting from the very minor few. Special appreciation is due Deputy Collector John Flynn and Attorney Anthony Mastromarino for their valued assistance at small remuneration. The co-operation of Treasurer Richard Perry was cheerfully given and gratefully received. Many people have helped me a great deal over the years; my wife, my family and my friends; I have been most fortunate in this respect, and offer my humble thanks.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

Collector of Taxes

GENERAL INFORMATION

Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

Vaccination

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

No-School Information

When weather conditions are such that our buses are unable to run, a no-school notice will be broadcast over Radio Station WSAR, Fall River, and over Radio Station WPEP, Taunton. Parents are urged to use their own judgment about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my third annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Music Supervisors and a report of the Dentist.

Personnel

Two of our regular teachers and the vocal music supervisor left us last June. Miss Olive Kelley, who had previously taught in Salem, was hired to teach grade 6. Mr. Burke who taught at the Christian Day School in Fall River, was chosen to teach grades 7 and 8. Mr. Donald Morrison took over as vocal music supervisor for the union. I believe these changes have served to strengthen our faculty.

We all deeply regretted the passing of Francis Fournier, Sr., one of our custodians. He was well liked by pupils and teachers and had the interest of the school foremost in his mind. Mr. Lawrence Swift was hired in August to replace Mr. Fournier.

Finances

The budget continues to increase. Increases this year are due to the number of pupils for whom tuition will be paid. Along with the increased number of pupils attending high school the School Committee has decided to send the seventh and eighth graders to the Freetown-Lakeville Regional Junior High School. An increase in the State minimum for teachers starting salaries from \$3300 to \$3600 reflects an increase in our budget. All other items in the budget remain about the same as they were in 1958.

School Program

We anticipate two changes in our school program this year. First the seventh and eighth graders will go to the Apponequet Regional School. This will eliminate the use of the unfinished room as a classroom. This will also provide these classes with a program that will be exploratory in nature and give these pupils a better preparation for high school. A

similar program could be set up at Berkley only after considerable extra space could be made available. Secondly, the first six grades will be able to occupy the rooms on the first floor. As a result the finished room located in the basement can be used for a special class. The Department of Education has for some time stated that we should have such a class but we have not had space available. Such a class is required of any town having five or more retarded children. We have more than twice that number at present.

With these changes I feel that we should be able to run a good elementary school with extra help for those who need it.

Building

Last summer certain floors in the building were refinished. Some rooms were painted and all painted surfaces washed. We hope to expand this refinishing and cleaning project this summer. With the cooperation of the P. T. A. we were able to improve our school grounds some this last summer. This is part of a plan that will be completed in four or five years. It is the ultimate aim of the plan to provide suitable play areas for the children and at the same time improve the landscaping about the building.

Conclusion

I should like to take this opportunity to thank the members of the P. T. A. for their interest in our school. I want to thank the School Committee for their cooperation throughout the year. I wish to say to those members of the faculty who have stayed for the past few years that I hope the fruits of their labors may be realized in this coming year.

I wish to thank the parents for their cooperation and say to them again, please feel free to call upon us for any help we can give you with any school problems.

Respectfully submitted,

ROBERT T. ROY,
Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I herewith submit my sixth annual report as principal of the Berkley Grammar School.

In November, a new primary grade report card was issued, as the result of a study made by the teachers of these grades. Parental response to this new card has been quite satisfactory.

Our third grade science program has been greatly improved by the addition of the new science text, "Our World of Science", which is published by Ginn and Co. This completes our science series for grades three to eight.

Educational television in grades two to six has added immeasurably to the curriculum in these grades. One-half hour programs in Science, Music, History and Literature are seen by each of these classes each week. These programs add a great deal to the teacher's regularly prepared lessons.

Our home study program in grades five to eight, which began last year, is flourishing. Students are taking on this responsibility seriously. They realize that all their homework assignments are based on the class lesson for the next day; therefore, they must have it completed. We are pleased with the progress in this area.

During the last marking period of each year, eighth grade students begin work on some of the high school subjects which they have selected for the following year. Last year's class was able to have only six weeks of Latin, Algebra, and Business Arithmetic. It is hoped that ten weeks can be given over to these subjects this year. The Freshman class this year from our school did very well during the first marking period at Dighton. We hope that this program contributed to their success.

Our music program under Mr. Morrison and Mr. Lincoln is advancing splendidly. Our Junior High Chorus and our orchestra will be ready for public inspection at our annual con-

cert in April. We expect as fine a concert as our students performed last year.

Junior High athletics and our general physical education program was enhanced this year by the presentation of new equipment to us by the Berkley Police Association. This, plus the blacktop area in our school yard has indeed improved our facilities for sports. The latter improvement was undertaken jointly by the P. T. A. and the School Committee. Worthy of note here is the fact that Berkley won the Softball Championship in the Massasoit League for the 1958 season.

The loss of Francis Fournier as our school custodian saddened both teachers and students. We all shall miss his warmth and friendliness.

I should like to thank you, the school committee, all school personnel, and our townspeople for making the past school year a most successful one.

Respectfully submitted,

O. J. LAMOUREUX,

Principal

INSTRUMENTAL MUSIC REPORT

Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

My report as instrumental music supervisor in the Town of Berkley is herewith respectfully submitted.

The instrumental music program consists of group instruction in the brass, woodwind and percussion instruments.

Lessons are offered to beginners, intermediate and advanced instrumentalists. Each group receives one half-hour lesson a week and at the present time there are thirteen students in the instrumental program.

Due to the lack of advanced players, the formation of a band has been delayed but we hope to begin an ensemble group as the proficiency of new students increases.

Some of the students have performed for the school assemblies and with the Dighton bands. These instrumentalists will also play with the Dighton band at the Spring Concerts and South Eastern Massachusetts music festival.

Respectfully submitted,

CHARLES H. LINCOLN,

Instrumental Music Supervisor

VOCAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

The program of classroom music being offered this year would be best termed a program of general music in that it attempts to stress all phases of musical art rather than limit itself only to the vocal area. The entire program is oriented toward providing broad and varied experiences in music for every child enrolled in the school.

In grades one through three, much emphasis has been placed on rote singing augmented by the use of singing games and rhythm band instruments. The purpose of this approach is to initiate a process of musical growth centered around the concept of musical enjoyment rather than musical drudgery. During the remainder of the year, the previously mentioned activities will be continued with the addition of experiences within the area of music listening. The students of grades four through eight have been engaged in a survey of the important instruments of the band and orchestra, in addition to their work with selected material in the vocal field. In the study of instrumental music, a systematic approach has been utilized whereby the various groups or families of instruments have been considered both individually and in regard to their importance within the general framework of the band, orchestra or small ensemble group. This method is being employed in order to best impart to the students the basic understandings of instrumental music necessary for success in their work with musical form and style which will be presented throughout the remainder of the year.

During the fall, the Conn Music Aptitude Test was administered to all students in grades four through eight. This test serves the twofold purpose of indicating those students who will derive the greatest benefit from specialized music training while at the same time pointing up certain areas in which a given grade or class requires special assistance.

The annual Christmas Program was presented on the morning of December 23rd. Representatives of the first seven grades prepared and presented traditional Christmas music. Members of the eighth grade staged a pageant which was accompanied by the Glee Club.

Respectfully submitted,

DONALD F. MORRISON,

Supervisor of Vocal Music

REPORT OF THE SCHOOL NURSE

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I hereby submit my annual report as school nurse of the Berkley Grammar School.

The routine school health program has been carried out for the year.

Clinics for Diphtheria and Tetanus protection were held in March, April, and May. Vaccination against Smallpox was done at the Preschool Clinic. Both clinics were well attended.

Massachusetts Vision Test and Hearing Test were given to pupils in all grades. Notices were sent to parents reporting a failure to pass the test.

Pupils in the first and third grades have attended the dental clinic. Several emergency tooth aches have been taken care of through the clinic. It is our hope that the dental clinic will expand so that the pupils may have more dental coverage.

Dr. Alan Poole examined pupils in grades 1, 3, 5, and 7. Cavities and enlarged or infected tonsils are the major health problems. Four pupils have had tonsillectomies during the year.

There have been a few cases of chicken pox and virus infection in the school, but the general health of the children has been good. Attendance has been 85 per cent. for the year.

I wish to thank all the school personnel and the people of Berkley for their interest and cooperation in the school health program.

Respectfully submitted,

ELLA F. DILLINGHAM, R.N.

REPORT OF THE SCHOOL PHYSICIAN

Robert T. Roy
Superintendent of Schools
Berkley, Mass.

Dear Sir:

The following is my report as School Physician for the Town of Berkley:

Routine physical examinations showed the students of Berkley are maintaining a commendable health level.

Records of the School Health Service may be found in the report of the School Nurse, whose services are outstanding in school health.

Again I wish to thank the personnel of the Berkley school for the fine cooperation of the past year.

Yours very truly,

DR. ALAN M. POOLE

REPORT OF THE DENTAL CLINIC

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

This is the annual report of the dental clinic serving the Berkley Elementary School. The term started on March 31, 1958, and ended on November 3, 1958. This is equal to 15 visits to the dental clinic. The total number of operations was 105. Breaking this down into the various services rendered, we accomplished this:

- 50 extractions of teeth including odontectomies
(surgical removal with sutures)
- 10 prophylaxes (cleanings)
- 38 amalgam (silver) fillings
- 7 silicate (porcelain) fillings

105

The clinic has had a very successful year in which a great amount of work was accomplished, and dental care was rendered to those who may never have had an opportunity of visiting a dentist.

Sincerely yours,

ISRAEL HELFAND, D.D.S.
